PHEZULU
CONTRACTING GROUP

OUR COMPANY

Phezulu Contracting Group (Pty) Ltd was established in 2015 as a construction, building maintenance and signage company. The company is committed to high performance always and conducts itself professionally to deliver beyond the client's expectations. Phezulu Contracting Group (Pty) Ltd is a safety, environmentally friendly and quality conscious company. The company is proudly South African and plans to boost the economy through job creation and youth empowerment. In recent years we have become aware of the decline in skilled artisans and want to contribute to resolving this by giving back to the industry by means of educating and training tradesman to achieve the highest possible quality standards.

Phezulu Contracting Group (Pty) Ltd is situated in Cape Town however we do service clients throughout South Africa.

OUR VISION

The vision of our company is to establish ourselves as a reputable business which serves the greater society and contributes to building a strong economy for our country. We envision being a preferred contractor in the Western Cape, based on our production output, quality product, best price and overall service delivery. After years of hardwork, the company hopes to achieve a leading role in South Africa's built environment sector.
